Sermon Notes

1) _____ in Our _____.

We often have a number of names in life, but which names are the most important to you? Who gave them to you and who are you ultimately responsible to for them?

2) _____ in the _____.

One of the most difficult challenges in life is learning how to make important decisions (which only gets harder as the stakes grow greater!). How many of our non-negotiables are really rooted in God's word and how many are personal preferences? For what reasons can these preferences relax?

3) _____ in Our _____.

The familiar hymn goes, "On Christ the solid rock I stand, all other ground is sinking sand." Thinking over the past 5-10 years, what traits or beliefs have been consistently lived out by you? How able are you to give a "defense to anyone who asks you for a reason for the hope that is in you"?
